Welcome to Express Scripts[®] Pharmacy Benefit Services!

Express Scripts is here to help you stress less and save more. We manage your prescription plan and work with CLIENT NAME HERE to deliver pharmacy benefits that benefit you. We make it easier for you to manage your prescriptions anytime, anywhere.

Here's why you can depend on Express Scripts 24/7:

Can't-lose-it digital ID card

Keep it with you wherever you go. Download your prescription ID card on your phone, save the attached copy or do both.

Money-saving recommendations

Don't pay more than you need for medication. Get the right medication and 3-month supply with home delivery.

Prescription and claims history

Get all your benefit information in one place. Check the status of a coverage review, see your prescription history or review your costs for the year.

Convenience

Access your account while in your doctor's office to see if a medication is covered. If you choose home delivery, you can order refills and track shipments online.

Getting started is simple:
